EDULIFE \ Education for Life

...Preparing Students for Life’s Challenges

EDULIFE COUNSELING SERVICES
Global Education and Career Consultants
About EduLife

EduLife Counseling Services is an ISO 9001:2008 certified company which was established in 2007 at Bareilly, Uttar Pradesh, India and is owned and managed by professionals with proven credentials in the industry.

EduLife is an innovative, progressive and successful group which is focused towards one of the core sectors of the economy that impacts the growth and development of our country i.e. Education.

EduLife proudly works with people from various walks of life such as adolescents seeking to explore career options, or experienced professionals contemplating a career change. EduLife helps its student clients develop their self-knowledge and awareness of options which they would need to select an academic major or a cautious career direction. We guide students in thinking about their interests, values, competencies, personal characteristics and encourage them to connect their career goals to educational goals.

Vision

To provide the highest quality services and support to its clients, with the added advantage and convenience of doing it online, over the phone or in person.

Mission

To become the most reputed and reliable name in the Global Education Industry, and be recognized as the best and the most trustworthy education and career counseling consultancy by upholding our integrity, professionalism and ethics.

Our Core Activities

● To synergize all efforts towards matching the profile of the student with the right education provider whether in India or Abroad.

● To provide counseling, as well as information on career options available across the globe.

● To connect career goals with educational goals.

● To engage students and their parents in higher education and career planning.

● To help student sort through college materials so that informed choice can be made.

● To help students and their parents in their financial planning for higher education.

● To assist students in filing of their Study Visa to include Statement of Purpose and Letter of Recommendation.

● To assist in Resume writing, Covering letters and Job interviews.

- Arranging for Govt. approved guardians for under 18 students.
- Assistance in Securing Part-time jobs by writing resumes.

Our Objective is to prepare the students to educate themselves throughout their lives.
Our Team

We take great pride in our staff and have a wonderful team of counselors and professionals working for us. EduLife team has an extensive knowledge of Higher Education across the globe and a deep understanding of a student’s need. A team of skilled executives is headed by Vandana Rai.

Vandana is a dynamic personality infused with entrepreneurial spirit. She is a teacher, confidant, and advisor to her clients, who keeps herself updated & networked by being a member of various International & National Associations like NCDA (National Career Development Authority, USA), NAOP (National Association of Psychologists, India), PIER (Professional Education International Resources, Australia), CAI (Counseling Association of India) and AEP (American Education Partners). She has over a decade’s experience in Education and Career Counseling and heads a team of counselors who work tirelessly and patiently to assist students and their parents with personal, family, educational, mental health, drug and alcohol addiction, career decisions and related problems.

Why Edulife?

- Since its inception in 2007, EduLife has been constantly providing quality and professional services to students. With this approach in our work, we have been able to win over the confidence of students, who approach us to fulfill their education and career goals.

- EduLife today reaches out to more than 30,000 student’s year on year basis in Govt. And Private Schools, Engineering, MBA, Degree colleges and working executives thus acquainting them with a wide range of occupational and educational opportunities.

- Our counselors have a background in psychology as this provides an insight into human behaviour which helps them to understand better the problems of our clients.

- Our team of counselors not only possesses high physical and emotional energy to handle the array of problems they address but also have the required emotional stability and maturity.

- We represent only accredited, approved, reputed and highly ranked education providers.

- 100% of our students have been admitted in various institutions within India and Abroad.

- 95% of our students are granted Visa for their 1st choice destination, if opting to study abroad.

- Over 90% students are referred by previously satisfied students.

- We are a company of choice due to high degree of compliance, transparency and integrity.

- We work with various strategic partners to give our clients a one-stop-shop experience. Our network of partners enable us to provide professional services to our clients in areas such as bank loans, ticketing, funds transfer, accommodation, insurance, etc. untrarily.
